

The ceiling lamps of the NIXmeer series are used for room air and surface disinfection. Due to the natural circulation in the room, the air is constantly directed past the UV-C lamps.

NIX30-2 is equipped with two spotlights and a protective reflector so that people in the room are protected from UV radiation. All luminaires are designed for ceiling installation.

- ✓ Disinfection up to 99.9%
- ✓ No chemicals
- ✓ Environment friendly
- ✓ High quality

Device type	Lamp
Rated voltage	230 V, 50/60 Hz
Rated power	65 W
Dimensions (L x W x H)	1140 x 160 x 135 mm
Ozone production (185 nm)	Optional
UV-C power (254 nm)	20 W
Air flow	No fan
Volume	Almost noiseless
Protection class	IP 44
Material	Powder coated aluminum
Assembly	Ceiling mount
Operating hours tubes	8.000 h
Amount of tubes	2 x 30 W
Manufacturer	Dinies Technologies GmbH
Country of origin	Made in Germany
